

**History - The Vikings**

(DT)

Design and make your own model of a Viking Longship. Remember the features discussed in class and design your ship accordingly.

**Maths**

Explore the naming of numbers. Create a table explaining the pre-fixes for each "family group" of values.

e.g.

Number	Pre-fix	Name
1,000,000	mil-	million
1,000,000,000	bi-	billion
1,000,000,000,000	tri-	trillion
etc.		

**English**

In "Arthur and the Golden Rope", Arthur had to use a number of skills to complete his challenge.

Design and describe a character that has a number of skills to perform a similar challenge as faced by Arthur. You could add an illustration to go with your description.

**Science**

Replicate the filter we made in class to filter dirty water. See how effective you can make it using different material layers. We used: sand, pasta, rice, paper towels, cotton wool and gravel layers. Put a piece of gauze over the end with a rubber band.

**Computing**

Create a quiz using Purple Mash on a subject of your choice.

Try to include a number of different types of questions.

Research your answers on the internet or use reference books (or even parents) to ensure accuracy.

A 2Do has been set for you.

**R.E.**

The law in the UK is that all motorcyclists must wear a helmet when riding their bike. However, any Sikh who wears a turban as a religious observance is exempt.

Is this fair? Yes/No

Write a short argument supporting your point of view.
