
Welcome to Owl Class

MRS REES

I'm Mrs Rees and I'm your teacher in Year 6

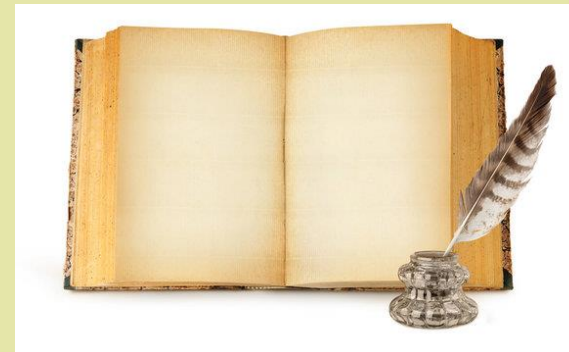

Welcome to Owl Class you're now at the top of the school!

I will be in class every day.

We will still be doing all the same subjects that you did in Year 5.

I especially love English and we will have a great time writing about all sorts of things!

We will work hard but have lots of fun too.

Who else is in your class to help you?

Mrs Jain will be in class every day.

There will be other members of staff in Key Stage 2 to help support us in Owl Class.

Have a fantastic summer and see you in the summer!
