LO: To describe how people on the home front contributed to the war effort during World War Two.

Now it's your turn to research and present information about an aspect of the war effort.

Read the information you have been given about an aspect of the war effort. Work with the other children in your group to research more about this and create a presentation to share with the rest of the class.

Your presentation may include some of the following:

- an introduction (essential);
- key facts;
- important dates and figures;
- pictures;
- drama;
- charts or diagrams.

Your presentation may be in the form of a poster, a leaflet, news report or interview. Or you may have another idea to present your learning. Check this is acceptable with your teacher.
