Robin Class Newsletter - Week Beginning 17th - 21st January 2022

The children began the week by learning about all their new Arctic topic words. The children created their own topic word mats and will use these to help them with their writing. Later in the week the children were introduced to a short animation all about a girl called Tammy who goes to the Arctic. The children studied the Arctic landscape and wrote some wonderful sentences all about the landscape.

In maths we began our new place value to 20 unit. The children have been learning all about numbers to 20 and why some numbers are teen numbers. The children have learnt to count forwards and backwards, count on from 10 and spot missing numbers. Using numicon, cubes, beads, ten frames and counters the children completed a maths challenge making numbers from 11-20.

In art the children learnt all about the colours in the Arctic landscape and how the colours change through-out the seasons. The children learnt how colours can represent feelings and how some colours will make them feel. Using shaving foam and paint the children chose their favourite Arctic colours after looking at pictures of the Arctic landscape and completed the first part of their Arctic landscape paintings.

In phase 5 we are learning all about how sounds we have learnt can also sound like other sounds. The children focused on 'o' sounding like the grapheme 'oa', how 'e' sounds like 'ee' and how 'u' sounds like 'yoo'. The children focused on tricky words that they now know are no longer tricky as they know the 'o' sound can sound like 'oa' like in no, go, and so. The children continued to learn of, put, push, pull and full. Please practice the tricky words at home as this will help support the children in class.

In PSHE we are learning all about what bullying means and the children made some fantastic anti-bullying slogans. We also talked a lot about 'kindness' to each other and

understanding how we are all different and special and that is what makes us all so wonderful.

Thank you for a lovely week and we hope you all have a lovely weekend!
