Children: Test Test

### *Notes*

---

Hi Everyone,

I hope you have all had a lovely weekend despite the rainy weather!

This week we have been busy learning some of the school and classroom rules and talking about how we feel about starting school. The children have listened to the story of 'The Colour Monster' and painted pictures of a colour monster using colours to represent how they feel.

During the children's RE lesson with Mrs Day, the children talked about what makes people special. We have also been learning some Autumn themed songs to sing with the rest of the school.

In our Jigsaw (PSHE) lesson we talked about that we are all different but similar. We said that we are similar as we all belong to Wren Class in Cheapside School but we like different things. The children talked about their favourite toys at home and drew a picture of them.

We also had our first Dough Disco! The children use a piece of play dough to exercise their hands and fingers and dance to music. This help develop their fine motor skills and helps strengthen pencil control.

In Forest School the children were introduced to some new equipment to explore the forest with and set up a wildlife camera to see what animals roam around the forest.

Lastly, on Friday the children met their Year 6 Buddies and showed them around the classroom and played with them.

See you all on Monday!

Mrs Coe
