### Notes

---

Hi Everyone,

Just a quick summary of our week!

On Monday we had a Gymnastics Show rehearsal with Mrs Higgins and are looking forward to performing for you on Monday. The children also enjoyed an art lesson, painting to different types of music.

On Tuesday and Wednesday the children learnt about the eight planets in the solar system and recalled facts about them. They also practised handwriting and enjoyed making pancakes (and eating!) in Forest School.

Thursday was World Book Day. The children looked amazing in their costumes and enjoyed book related activities throughout the day, including, reading with children from different classes, and learning how to draw characters and create a story. The children watched a video by Chris Riddell that showed them 'the three w's'. Who?, What?, Where? The children then created their own character and wrote about the three w's.

Lastly, today the children talked about the stories that they had created yesterday, drew a picture for the Ascot Racecourse picture competition and watched Jo from Big Pants Theatre Company perform her own story that she had written.

In our Phonics lessons we have been revising Phase 3 sounds by playing games and will resume our structured Phonics teaching next week.

Wishing you all a happy weekend and I hope you get to enjoy the sunshine.

Regards

Mrs Coe
