

How Many?

There are 4 skittles.

Here is a picture of the skittles after I take my turn.

How many skittles did I knock down?

Explained to an adult?

Master the Curriculum

How Many?

There are 4 skittles.

Here is a picture of the skittles after I take my turn.

How many skittles did I knock down?

Children should explain that zero
skittles have been knocked down as
there are still 4 skittles standing.
