

5 5 5 5 5 5

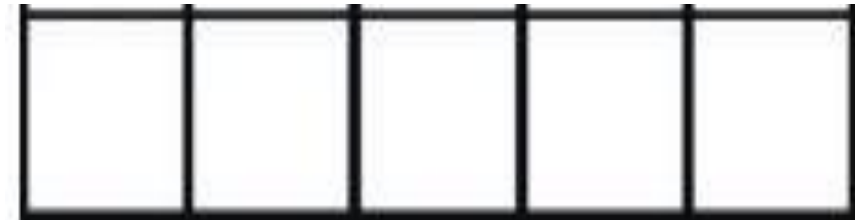

Look at the different pictures. Can you find all the number 5s? Stick them on the high five!

9th December 2021 - recognises numbers 1-5, counts out objects from a larger group, says the number that is 1 less or 1 more, finds the total number of items in two groups, subitises up to 5.

Can you select 5 double sided counters and put them on the 5 frame?
How many ways can we make 5?

What is 1 more than 5? What is 1 less than 5?

Can you draw 5 things?
