

Wren Class Newsletter - W/B 02/01/2023.

Happy New Year!

We hope you had a wonderful Christmas holiday and would like to thank you for our lovely Christmas presents. They were much appreciated and it was very kind and generous of you all.

This week we have talked about what we did in the Christmas holidays and discovered that everyone had a different experience and traditions. The children drew a picture of their favourite thing from their holiday and attempted to write words and sentences.

During our Phonics lessons, we have learnt that some words have an 's' at the end such as plurals and sometimes the 's' makes a 'z' sound (such as bags and his). We have also learnt some new tricky words 'me', 'we' and 'be'. The children are making excellent progress in reading. We are very proud of them!

In our Maths lessons, we have explored numbers 4 and 5 and how they are made (numberbonds). The children have practised this in Mrs Harvey's Shop.

The children continued Gymnastics with Mrs Higgins and have been putting mini routines together.

During our RE lesson the children have been learning about how we celebrate New year in the UK. We talked about New Year resolutions and the children chose their own resolution or wish for the year ahead.

In our PHSE lesson the children discussed how they can be a good friend.

We hope you have a lovely weekend!
