

## Wren Class Newsletter - Week Beginning 05/09/2022.

Welcome to the first Wren Class Newsletter!

Each week we will post a newsletter onto the Wren Class page of the school website which will inform you of the learning that has taken place that week and any information or messages for the week ahead.

Firstly, it has been a pleasure to meet you and the children and we hope that they have enjoyed their first few days at Cheapside School.

We have been busy getting to know the children and making them feel at home in the Wren classroom. Mrs Harvey and myself, have been setting up activities so that we can observe the children playing and complete the baseline assessment. This will take several weeks to complete and will help us with our planning to develop the children further. You can find information about the baseline, and why we complete it, on the Wren Class page on the school website.

The children have been amazing at settling in, have been making friends with each other and engaging with the classroom activities. They all enjoyed their lunch in the hall and had a tour of the school to meet the other classes and teachers. Some of the children made a picture of a Wren and decorated their name.

Next week we will be completing activities inspired by the book 'The Colour Monster' and the 'Colour Monster Goes to School'.

A few of you have asked when PE will be. We will be starting PE after October half term and this will be on a Tuesday morning. I will confirm this nearer the time. Forest School will start on Monday 19<sup>th</sup> September, in the morning and children should come into school wearing their Forest School clothes and trainers (so that they have clean shoes to wear in school) and also bring a pair of wellies that will remain in school. Please remember to bring a waterproof coat as we will be going to the Forest even if it is raining!

We hope that you have enjoyed looking at the Tapestry observations and don't forget to upload any 'wow' moments that your child has at home!

Finally, a reminder that the children will be starting school full time next week. The children should arrive at 8:40am and can be collected at the rainbow pencil gate at 3:00pm, unless they have an older sibling in school, when they will be collected at either 3:10pm or 3:20pm. Please can all children bring a water bottle and book bag into school each day. If you do not have a book bag yet, a draw string bag is also suitable.

Thank you for a lovely week and we hope the children have enjoyed it as much as we have!
