

Welcome to Owl Class

MRS ROBERTS & MRS SEARLE

Mrs Roberts & Mrs Searle – your teachers

- ▶ Mrs Roberts will be teaching you Monday – Thursday
- ▶ Mrs Searle will be teaching you all day on Friday
- ▶ Mrs Zarti will be supporting us in class each day

What's happening this year

- ▶ We will continue to work on our core subjects of English (reading for pleasure, reading fluency, reading comprehension and writing), maths and science in preparation for the transition to secondary school.
- ▶ In addition to this, there will be a focus on the foundation subjects which will include Mrs Higgins continuing to teach some of the P.E. and Mrs Day teaching PSHE.
- ▶ The year will also include lots of additional extra curricular activities such as the residential trip to Mill on the Brue in the summer term.
- ▶ It is a year of working hard and playing hard, and we look forward to starting together in September!
