Did you know that Doves have a very symbolic history? We will learn about this when you start in September.

This is the main entrance into the classroom.

And we have our own grown up loos!

We have a nice, big corridor for our coats and book bags...

Your new class will have display areas similar to your old Year 1 class.

This is the other door to our classroom where your parents and /or carers will pick you up at the end of the day. It is also where we keep our wellies for Forest school.

Last, but not least, EVOD - our class cuddly is so excited you will be joining our class. This is Evod jumping on the trampoline in excitement!
