

Donations Wanted

Can you help support our Allotment and Forest School?

Some of our equipment in Forest School is look rather tired and in need of replacement. We are in desperate need of some items in Forest School and in the allotment and wondered if anyone out there could help?

We are looking for donations of any of the following items:

Mud Kitchen equipment: These can be used items!

- Saucepans (all shapes and sizes)
- Jugs, metal whisks, mashers
- Measuring jugs
- Spatulas
- Wooden spoons
- Plastic or metal bowls
- Muffin tins
- Plastic plates, cups
- Plastic cup cake cases

As always we would also welcome donations of hot chocolate powder (powder that is mixed with water), biscuits, marshmallows and cotton wool for Forest School.

Allotment:

- Empty plastic plant pots (we use these to sow seeds in ready to plant out in the allotment)
- Any seed packets that you are not planning to use this year! (both flower, vegetable and herb)

We would also welcome any donations of small plants that we can plant and grow on in the allotment should you have any excess plants. Please let myself or Mrs Miles know if you think you might have some plants that you would like to donate.

The popular plant sale run by Mr Streather and Year 4 will be happening this year in the early part of next term, Mr Streather has kindly offered to donate some of his plants to the sale so please continue to support this fantastic fund raiser for the allotment.

If you would be interested in helping out with the allotment, we would welcome your support. Please come and chat to either myself of Mrs Miles.

Thank you for your support
Mrs Summers and Mrs Miles
