

Cheapside School

Summer Reading Newsletter

July 2021

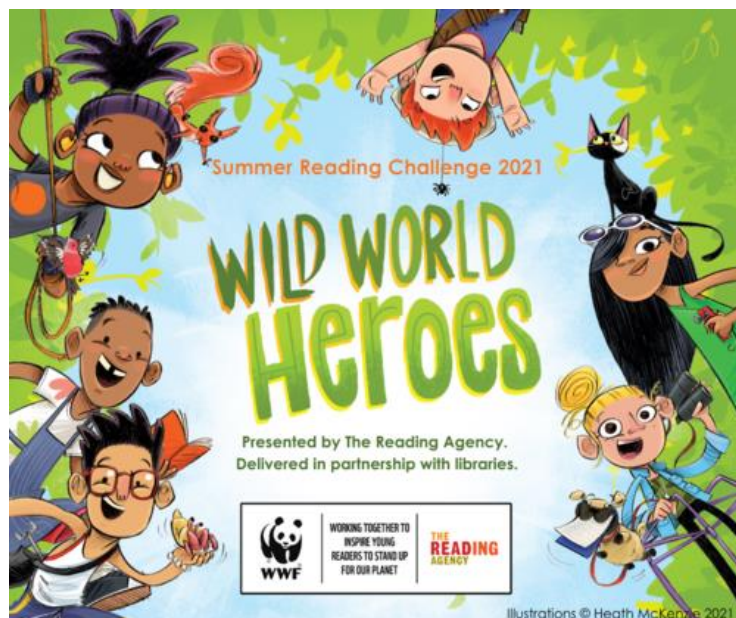

As we approach the summer break, what better way to fill your time over the coming weeks than with a good book! You can find a huge number of links, recommendations and library information on our school website at:

<https://www.cheapsideschool.org.uk/reading-zone/>

In the meantime, we would like to draw your attention to the following things:

Summer Reading Challenge 2021

This year The Reading Agency in partnership with the libraries have teamed up with WWF to create an exciting all new Summer Reading Challenge. The 'Wild World Heroes' has all the usual combination of rewards and games to encourage children to read six (or more!) books over the summer break. It's easy to sign up through your local library or via the website. All the information is under the Children tab in the Reading Zone on the school website.

SOS - Save Our Sunninghill Library

Thank you to everyone who supported the campaign to save Sunninghill Library. The news is good, and it looks like the immediate future of the library is secure for the next 5 years. The long-term future of the library remains up in the air, however. One of the best ways to ensure that this wonderful resource stays open within our community is to use it as much as possible. All our local libraries are now open again following lockdown so please do use them!

Sunninghill Library Opening Times:

Tuesday 14:30-17:30

Wednesday 14:30-17:30

Thursday 10:00-13:00, 14:00-19:00

Friday 14:30-17:30

Saturday 10:00-13:00

BOOK AMNESTY

Please could we ask that you have a look on your bookshelves at home to see if there are any school reading books lurking in the corners. We would appreciate it if all and any books are returned to class so that we can audit our books over the summer and have them fresh and ready for the children returning in the Spring Term.

Have a wonderful summer.

Happy reading!
