Dear parents and carers,

You will have seen the fantastic new play area that has been built since the Easter holidays. The fencing is now down, and we can't wait for the children to make the most of this updated equipment.

The old play equipment had come to the end of its life, and we are very grateful to The Oxford Diocese, The Rotary Club Ascot and the PTA. for funding us in order to create this exciting new environment. We are hopeful that with some more fundraising we will be able to add some more equipment to the area over the coming months.

Please can we ask that when you are picking up your children from school, you **do not let them or their younger siblings on the bark area and play equipment.** The play area is not monitored at the end of the day, and **we are not insured for the children to use it at this time and without staff on duty.** We ask that you make this very clear to your children and also to anyone else who picks up your children during the week i.e. grandparents, childminders etc.

The children's safety is paramount, and we need to all play our part in ensuring that we keep everyone safe.

Yours sincerely,

The Senior Leadership Team
