Tuesday 28th January 2025

Dear Parents and Carers,

Parents and carers of children in Reception and Year 1 may have noticed that the classrooms have a changed layout this term together with some new furniture and resources.

Working with Early Excellence, an initiative specialising in supporting the development of best practice and provision in Early Years and Key Stage 1, we have purchased resources and furniture using our 'capital budget'. Capital budget is allocated specifically for premises and buildings; it is not something we are able to use for staffing however we are ensuring that we use it to ensure that the children at Cheapside have the very best opportunities.

The new classroom plans allow for highly engaged, self-initiated learning with open-ended continuous provision materials for the children to facilitate practical, adult-directed group work to introduce, practise and apply key learning.

Already the staff working in both classes have seen a positive impact and we will be arranging a time for parents and carers of children in these classes to come and see the rooms in action in the coming weeks.

Yours sincerely

The Senior Leadership Team
