A MESSAGE FROM THE HEADTEACHER

Dear Parents and Carers,

A massive well done goes to our Gardening Club and to Mrs Spong for their wonderful wheelbarrow entry this year's Flower Show. The children should be enormously proud of all their hard work, care and creativity. As a very special treat, our children were also lucky enough to meet Alan Titchmarsh (see below)- a real highlight and a memory they won't forget in a hurry!

This Week at Cheapside

- Monday – Our Year 3 & 4 girls represented the school beautifully at Ascot Football Club. A fantastic morning (in that heavy rain) of football, teamwork and team spirit.
- Tuesday – Our Year 6 children set off on their residential adventure (the images on Facebook look like they're having the best time together) and the PTA lolly sale was a refreshing treat enjoyed by all. Thank you to the PTA for organising.
- Year 1 Phonics – Our Year 1 children have been busy with Phonics Screening Checks throughout the week, building those all-important early reading skills.
- Wednesday – Year 4 completed their Multiplication Tables Check (MTC). Well done to all our Year 4 children for their effort and focus.

Could You Help With Reading Next Year?

Reading

We have an exciting opportunity for parents, grandparents and family members to get involved in school life next year- and to help us move reading forward as a whole school. From September, I would like reading to take place each morning at 9am. To make this work well, I plan to:

- Deploy staff to support our Reception and Year 1 children in mastering their phonic skills; and
- Welcome as many parent and grandparent helpers as possible to support reading across the rest of the school at 9am.

If you would be able to help in any way, Mrs Leitch and I would love to hear from you. We would like to begin the DBS applications before the end of this year, so that we can enjoy a smooth and settled start in September.

Sports Clubs

I've had a couple of parents speak to me about running different clubs and that got me thinking... I would also be delighted to hear from any parents interested in running clubs next year. If this is something you'd like to explore, please do get in touch with the school office. I would really like our children to start getting extra coaching to compete within the local community.

Royal Ascot Week

As Royal Ascot Week approaches, please be aware of a few important arrangements:

1. The diversion map was emailed out last week- please do refer to it when planning your journeys.
2. There will be no clubs during Royal Ascot Week.
3. We kindly ask for prompt collection of children from school during this week, to help everyone get away safely amid the increased traffic.

Thank you for your understanding and cooperation- it helps the week run smoothly and safely for all our families. I can't wait to celebrate with you all.

Charters School's Year 5 Open Evening
Thursday 9th July | 5:00pm – 7:30pm

Dear Parents and Carers,

Choosing a secondary school is an important milestone, and we know how vital it is to find a place where your child will feel confident, supported and inspired.

We'd love to welcome you and your child to our Year 5 Open Evening at Charters School this July – and show you what makes us special.

Our values of Unity, Respect and Excellence aren't just words; they shape every classroom, every relationship and every opportunity we offer. On the evening, you'll see them in action as you explore our school, meet our staff and talk with our students – a community that works together, values every individual, and strives for the very highest standards.

We look forward to showing you how Charters nurtures curiosity, builds confidence and gives every child the tools they need to become leaders, creators and critical thinkers – ready to thrive in Year 7 and beyond.

EXCELLENCE

Safeguarding concern?

Do you know who to talk to should you have a safeguarding concern?

Safeguarding Lead - Mr Martucci

Deputy Safeguarding Lead - Mr Wickenden

We have an open door policy - don't hesitate to ask at the office if you would like to meet with a teacher or governor.

FRIENDLY REMINDERS

- Scooters, bikes etc. not to be used on site
- Please do not use the adventure trail or school play equipment before or after school
- Please check lost property for missing items
- Dogs must be in arms if entering the school site
- Please can we remind you to park considerately, being mindful of both our neighbours and the safety of children

PE Kits on Sports club days

Children who have school sports clubs at the end of the day may wear their school PE kit to school on that day.

Weather

Please may we remind you that whilst we are in the Summer Term please send your child/ren to school with a waterproof coat daily. We will take the children outside even in the rain!

During the warmer days please ensure your child has suncream applied and brings a water bottle to school daily.

Have Your Say School Traffic Across the Borough

Dear Parent/Guardian,

The Council is currently carrying out a borough-wide survey to better understand the impact of school-related traffic and the challenges families face during the school run.

We would be very grateful if you could take a few minutes to complete our short survey and share your views on traffic outside your child's school and along your journey. Your feedback will play an important role in helping us identify ways to improve safety, accessibility, and travel experiences for families across the borough.

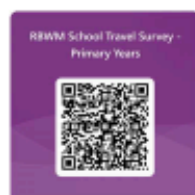

Please access the survey using the link(s)/QR code below:

<https://forms.office.com/e/9chNHLMWmG>

The survey is quick to complete, and all responses will help shape future improvements to the school run experience.
Thank you very much for your time and input.

Kind regards,

Reminders

Labelling

Please can we ask you to label everything – stationery, water bottles, clothing... we have an ever increasing lost property collection that is unlabelled.

Lost property

Lost property items not collected by the end of every month and at the end of every half term will be donated to the PTA for re-sale. Thank you for your understanding.

The lost property tub is overflowing, please stop by and take a look!

Stationery – 'Super Six'

In Key Stage 2 (years 3, 4, 5 and 6) we ask that the children bring in some of their own stationery and we call this the "Super Six".

As a school, we want to encourage independence and personal responsibility and so we ask that the children bring in this "Super Six":

Pencil
rubber
ruler
glue stick
pencil sharpener
writing pen (the pen is not necessary for Year 3).

Glue sticks and pencils will need to be replaced regularly as these are not provided in Key Stage 2.

These items **MUST** be named/labelled and in a pencil case that will fit in the children's tray – so the flatter and smaller the pencil case, the better. If the children have their own colouring pencils or felt tip pens, they may bring those in too.

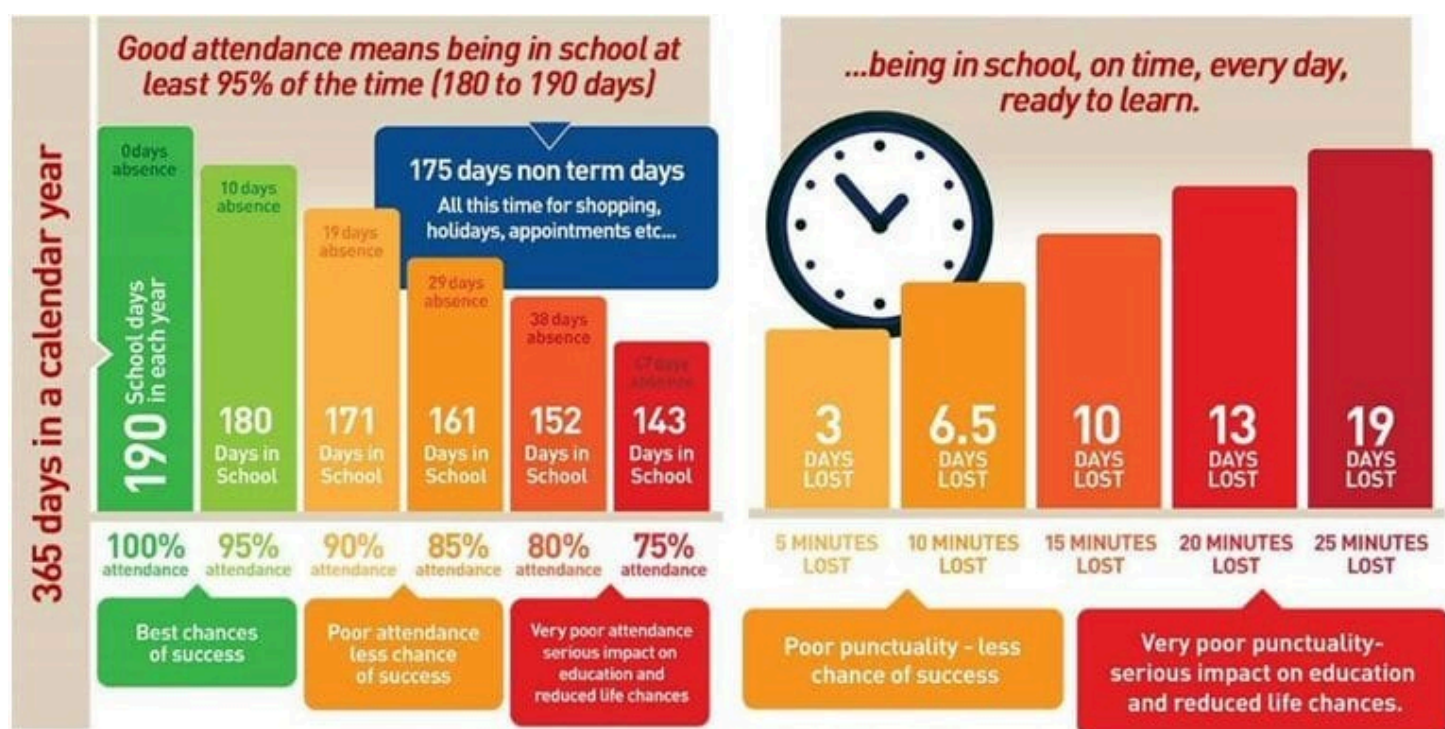

Attendance & Lateness

May we remind you that our school day starts at 08.40am for Reception – Year 2 & 08.50am for Years 3–6.

Children arriving after 08.50am are marked as late for registration which impacts their attendance record. Attendance is monitored by the Educational Welfare Officer from RBWM.

The table below demonstrates the impact of this lost learning to the children.

School gates are open for drop off at 08.30am.

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is **94.7%**

DID YOU KNOW? If you are 15 minutes late each day you will have missed a full 2 weeks of school in one year?

Attendance Matters

Every student. Every day.

Autistic Thriving at School and Beyond

As part of the University's centenary celebrations, we are hosting a free public hybrid (in person and online) event on the evening of 6 May on the theme of Autistic Thriving at School and Beyond.

Join us for an evening that brings together autistic children and young people, their families, students, professionals and researchers to explore what supports autistic children to flourish in education and everyday life.

The event will include talks from:

- Professor Elizabeth McCrum, Pro-Vice Chancellor (Education and Student Experience) at the University of Reading
- Dr Fiona Kootill and Dr Jo Billington, Wellbeing Hub project leads
- Andy Smith, founder of Spectrum Coming, and a passionate advocate for young people's voices in education.

For in person attendees, there will also be an opportunity to review a poster presentation of current autism research from academics and students in the School of Psychology and Clinical Language Sciences. Refreshments will be provided.
